

**Did You Know that the “Pit Bull”
was once Known as the:**

During the Victorian Era, the “Pit Bull” was widely used to baby sit children. They became commonly known as “Nanny Dogs”

At that time, Collies were thought of as vicious and were subject to breed bans to “protect the public”

“Nanny Dog”

Today, “Pit Bulls” are specifically targeted by the agenda-driven media and are routinely portrayed as “dangerous dogs”

“Pit Bulls” are no more dangerous now than they were during the Victorian Era

Breed bans are sought after by Animal Rights Extremists who seek to eliminate all dogs - one breed at a time

Just Say NO to Breed Specific Legislation!
